dermalogica[®]
a skin care system researched and developed by The International Dermal Institute

The Face

Dermalogica is only available through professional skin therapists. A unique facial treatment customised to target specific skin concerns through face mapping delivering unique results to your skin's health. All dermalogica facials will conclude with a prescription form of the face mapping procedure and all the products recommended for your skin's requirements at home.

Prescription Facial

£55.00

The facial starts with a thorough skin consultation allowing our therapist to customise a treatment to suit your skin's concerns. It then proceeds with a double cleanse, steam, exfoliation, extraction & a relaxing massage followed by a specially customised mask, finished by a toning & moisturising.

Dermalogica Age Smart Facial

£65.00

Most Powerful dermalogica treatment for prematurely ageing, dry, sun damaged skin, providing nourishment and regeneration. Skin will be noticeably firmer, smoother and revised.

Dermalogica combining Crystal Clear

£90.00

These combined treatments treat the skin to a deep, mechanical exfoliation which progressively resurfaces the outer layer of the skin. A dermalogica treatment will then focus on your skin concerns encouraging balance & control.

Dermalogica Facials Just For Men

£50.00

Dermalogica is one of the best skin care products on the market for men. Face mapping & a step by step treatment followed by a relaxing face massage will leave your skin looking softer, smooth and feeling deeply cleansed. Give yourself a treat!

Facial Treatments

Crystal Clear Microdermabrasion

Dermatology approved, the crystal clear skin system performs a progressive; rather than aggressive treatment. It offers a safe controlled method of skin exfoliation leaving the skin soft, smooth & rejuvenated, allowing new skin cells to be revealed; stimulating collagen production. This treatment is perfect for open pores, fine lines & wrinkles, blemished or pigmented skin & acne scarring.

Facial Treatments

Galvederm is one of the most advanced treatments for maintaining a balanced, healthy complexion; it deep cleanses, oxygenates & regenerates the skin. Regular treatments offer immediate and long lasting hydration for dry skin; it reduces sebum levels in oily skin & reduces the appearance of fine lines & wrinkles in aging skin.

Galvederm £ 50.00

This complete facial is suited to all skin types. It deep cleanses, normalises the skin & speeds up cellular renewal.

Galvederm Plus £60.00

Ideally suited for dehydrated/premature aging skin. This complete facial includes the neck & eye area, helps to normalise the skin & improve cellular renewal whilst oxygenating the pores. Various active ingredients are quickly absorbed by the skin, which effectively rehydrates the tissue; slowing down the ageing process.

Intensive Collagen Mask £70.00

An intensive treatment designed to combat the signs of aging using collagen & electrotherapy. This treatment improves skin tone, elasticity & the appearance of fine lines and wrinkles.

The Body

The Back Facial £50.00

This treatment combines the best of both worlds. This deep cleansing facial comprises of a reviving body scrub, steam & extraction. The back is then treated to a deep & relaxing massage, followed by a nourishing mask customised to your skin's needs.

The Invigorating Body Polish £43.00

Top to toe exfoliation gives your skin a wake-up call, instantly refreshing the body leaving your skin looking rehydrated & energised. After body brushing to enhance circulation & improve lymphatic drainage; the body is exfoliated with a stimulating body scrub, gently removing dead cells & unclogging pores. The body is then treated to a rich body moisturiser.

Swedish Massage

A deep & relaxing massage with oils; relieving tension. This treatment helps to eliminate waste products from the muscle tissue, it increases the blood & lymphatic circulation whilst deeply relaxing the mind; giving a sense of well-being.
